- 1 Gallon size freezer bag (slider type) *** **Last name M through Z only**
- 1 Ream Xerox paper
- 2 packs (10 count or more) Ticonderoga #2 pencils ****

Please do not put names on supplies as we share them in bins, etc. as common classroom supplies.

***Please be sure the paper towels are absorbent – Bounty type.**

****Folder with no center clasps or brads to attach papers PLEASE!
Center clasp folders catch the paper and make it difficult to load the pockets.**

*****The students can't effectively close the regular type bags. We need the slider type, except for the sandwich size. The students can manage these with no frustration issues.**

******No wrapped/novelty-type pencils as the wrapping jams the pencil sharpener.**
