Welcome new families!

Please contact us with any
questions or concerns.

WE HAD A GREAT FIRST WEEK BACK!
WE MISSED YOU ALL SO MUCH!

We are working hard at school to keep everyone healthy. Here are some things you can do at home:

1. Review the **Home Screening Checklist** everyday and keep your student home if you can check any of the boxes on the Screening.
2. **Be fever-free (without fever reducing medication like Motrin, Advil, and Tylenol for at least 72 hours).**
3. Remind your child of **proper mask wearing that covers the mouth and nose** and to **sanitize their hands often**. We have masks for students who forget.
4. **Be on time to school.** If you arrive late you must walk your child to the front office, sign them in, and we will take their temperature before sending them to class.

Thank you for your patience during Pickup. We are working hard to make it as safe and efficient as possible for everyone.

Thank You

Please remember:

- If you have a PreK 3 or PreK 4 student use the BLUE line for 2:30 dismissal.
- If you have only Kindergarten through 5th grade students use the RED line for 3:00 dismissal.
- Parents of all middle school students, even with younger siblings, use the PURPLE line for 3:00 dismissal.

A BACK-TO-SCHOOL PRAYER

Loving God, thank you for the rest and
relaxation we enjoyed over the summer.
Today, we pray for our children as
they begin their new school year.
Bless them with joy at seeing
friends, excitement at new
experiences, and a love of learning.
Watch over all who learn, replacing
fear with joy, anxiety with peace,
and tiredness with energy.
Grant teachers wisdom, patience,
and joy in serving their students.
In Jesus' name we pray.
Amen.
